

FOR IMMEDIATE RELEASE

Self-Published Authors Explore *Disability Etiquette Matters*

New book is an insightful read that opens readers' mind about communicating with people with disabilities

Hampton, VA – February 3, 2011 – Xlibris, the print-on-demand self-publishing services provider, announced today the release of *Disability Etiquette Matters*. Authored by Ellen L. Shackelford and Marguerite Edmonds, this book provides readers with insights on how to interact with people with disabilities in all social situations.

People with disabilities are often overlooked in various social situations and activities. They face many challenges that oftentimes average people fail to consider. In *Disability Etiquette Matters*, authors Shackelford and Edmonds stress the importance of proper interaction with people with disabilities. Throughout this book, readers will learn how to address diverse issues in all levels. It contains stories of people living with disabilities, rules, suggestions and advice on how people with disabilities are the best guide in educating the society of matters affecting their everyday lives. From communication issues to marketing concerns, from social situations to social etiquette rules, and other relevant topics, this book provides explanation and clarification on disability etiquette matters.

Disability Etiquette Matters is one revealing read everyone will learn from. It's available in paperback, hardback, and eBook formats. For more information on this book, interested parties may log on to www.Xlibris.com.

About the Authors

Ellen L. Shackelford is a person who has sustained a disability through injury. She is well aware of the many challenges people with disabilities face daily. She also knows people with disabilities are often overlooked in social situations and activities. As founder and president of Connections Access Consulting Services, LLC, she is dedicated to a service, which will enhance the awareness and unconscious injustice of the aging population and Citizens with disabilities, so all will be included in social situations.

Marguerite Edmonds is a person who has sustained multiple disabilities as the result of a major stroke. She too is aware of the many challenge people with disabilities face daily and is dedicated to sharing information to educate society on those matters. She is the Training and Education Coordinator of Connections Access Consulting Services, where she consults regularly with executives from a variety of fields to help create synergistic solutions to world-impacting problems in the disability arena.
